

THIS WORK WE SHARE

As we dedicate our new Our Savior's Lutheran Church "to the uplifting of man and to the glory of God", a dream of many years comes true. This dedication day is indeed a time of gladness, for as we look back over the period during which we have been engaged in our building program, we can with one voice exclaim with the Psalmist when he said, "The Lord has done great things for us; we are glad." (Psalm 126:3)

Our building program has been a venture of faith—in God and His unfailing promises; in the members of Our Savior's Lutheran Church and their willingness to rise up and meet a new challenge.

With thanksgiving and gladness we now humbly dedicate all to God's glory, praying for inspiration and strength also to dedicate ourselves more fully to the high calling of God in Christ Jesus our Lord.
